OUR OPEN SHOW

The Open Show is upon us once again. We still need you to fill all of your cages to ensure we keep our "Gold" Championship Show status. Your help on the weekend of the show is also vital especially with erecting and dismantling of staging and cleaning up after

the show. We will be round next month for "volunteers" but please help in what ever way you can.

As usual, any donations of raffle/tombola prizes, birds for the bird raffle and donations for prizes, adverts and cakes to sell will be very welcome

NEXT MONTH'S MEETING

We had booked Clifton & Marion Wixon to give us a talk next month. However, Marion is seriously ill in hospital and they therefore not be able to attend. Your committee are working hard to find another speaker(s) to fill in. Our best wishes obviously go to Marion.
