INTER CLUB SHOW

The annual battle against Gloucestershire BS will took place last Tuesday May 5th. It was a very disappointing turn out from Worcestershire

BS members (only three turned up!). Consequently we went down to a heavy defeat losing by 70 points to 40. Congratulations to Gloucester and many thanks for a great evening once again.

AVIARY VISITS

This year’s visit to Devey and Wright in Cannock is arranged for Sunday 7th June. Details of meeting places and times will be announced next month. Please let Geoff know as soon as possible if you are coming. We will take in the usual pub lunch. The local visit to Pete Collins will be on Thursday evening 13th August.

OPEN SHOW

We had confirmation last week that we have again been awarded a Gold Championship Show. We still need you to fill all of your cages to ensure we keep it!

Your help on the weekend of the show is also vital especially with erecting and dismantling of staging and cleaning up after the show. As usual, any donations of raffle/tombola prizes, birds for the bird raffle

and donations for prizes, adverts and cakes to sell will be very welcome

WEB SITE

We now have a new Web Site up and running which should be fully up-to-date. Have a browse. The new site address is www.worcestershire-bs.com. A copy of this News Letter will also be posted on the Web Site so if you cannot get to a meeting you can print yourself a copy. If you wish to include anything on the web site we can be contacted via the site. Also, if you would like your own page in our web site please see Paul Stannard. This will only cost you £10 per year. Those that already have a page need to renew your fee ASAP.
