OUR OPEN SHOW

Bad news. We were informed last week that we cannot have our show at Droitwich High School any more. They have decided not to have any

livestock events in the school due to possible health issues.

However, after some frantic efforts, especially by Les, we will be staging our show here at the Archdales. It may be a squeeze for space but we will give it a go for this year then we can, if necessary, look around for another venue next year.

BRIDGNORTH CBS OPEN SHOW

Anybody fancy a go at judging? Bridgnorth CBS are looking for a budgerigar judge for their show on Sunday 28th September - the weekend of the BS Club Show at Doncaster. You do not need to be on the BS judges panel as the club do not have any patronage and you do not need to be a champion. Expenses and lunch will be provided. Fancy a go? Please see Geoff.

AVIARY VISIT TO ROB LESTER

The visit is confirmed for Sunday 8th June. It is at The Burlton Inn, Burlton, Shrewsbury, Shropshire, SY4 5TB Tel:01939 270284 As you can see this is an aviary with a pub attached - heaven!!!!!! There is a link to the Burlton Inn web site on our web site which shows the menu. Please let Geoff know by next month's meeting if you will be attending.
